An Exceptional Individual Home Designed for Family Life, Entertaining & Enjoying the Outdoors. A home that feels special and must be viewed!

Accommodation:

Beautifully renovated, significantly improved and meticulously presented by the current owners, this remarkable four-bedroom home offers an exciting blend of character, contemporary style and exceptional outdoor living. Approaching almost 2,000 sq ft, it is a substantial family home, yet it is the individuality and attention to detail that makes it truly special.

From the moment you step inside, there is a wonderful sense that this is a home designed to be enjoyed.

At the centre of the property is a stunning contemporary kitchen, combining dark cabinetry with crisp white quartz worktops and a traditional twin Belfast-style sinks. There is space for a range cooker, American-style fridge/freezer and integrated dishwasher, while the beautiful herringbone flooring and feature archway add warmth and character.

The kitchen flows naturally into the utility room, making the practical side of family life equally well catered for.

The living room is a wonderfully inviting space with bi-fold doors and a wood-burning stove creates a cosy focal point for winter evenings, while exposed floorboards and bespoke built-in cabinetry add warmth and individuality.

Upstairs, four genuine double bedrooms provide plenty of space for family and guests, with built-in wardrobes to all bedrooms.

The principal bedroom enjoys its own stylish en suite, while the main bathroom is another example of the home's distinctive design approach. A freestanding bath, separate shower and combination of pink wall tiling, dark wood panelling and lighter walls create a room that feels more boutique hotel than conventional family bathroom.

Outside:

The rear garden is carefully landscaped and divided into a series of spaces, it has an almost Mediterranean feel, with extensive paved and pressed-concrete style areas, dwarf walls, raised shrub planters, sleeper borders, lawn and multiple seating areas. A potting shed and substantial storage shed, both complemented by power and lighting, add practicality, while exterior lighting and power points make the garden just as enjoyable once the sun goes down.

The swimming pool is positioned beautifully within the garden and surrounded by extensive paved and patio areas; it is the feature that transforms this already exceptional outside space into something truly extraordinary.

Annex:

Adding another dimension to this unique home is the detached garden annex. Currently used as a beauty therapy studio, it is an incredibly versatile space with its own private entrance, rear windows, power and lighting, together with a shower room and kitchenette.

For the new owners, it could continue as a professional studio or home business, become a creative workspace, gym, hobby room or simply provide additional accommodation for family and guests. Any uses would be subject to the required planning permissions.

Situation:

Despite its generous accommodation and exceptional garden, the property is remarkably convenient.

Sherborne Road is within easy walking distance of Yeovil town centre, placing shops, cafés, restaurants and everyday amenities close at hand, while the A30 provides an excellent route towards Sherborne and beyond.

Perhaps best of all, countryside walks are available almost from the doorstep, with open fields and far-reaching views immediately beyond the rear garden.

A beautifully designed four-bedroom family home, an incredible landscaped garden, private swimming pool, versatile annex, generous entertaining spaces and countryside beyond — all within easy reach of the town centre.

Truly individual, exceptionally presented and quite simply a one-off. This is a home that needs to be seen to fully appreciate everything it has to offer.
